5th Grade Science DAILY REVIEW #13

CONCEPTS

INVESTIGATION,
REASONING, LOGIC

<p>M O N D A Y</p>	<p>1. What geographical feature of the ocean floor is between the shoreline and the continental slope?</p> <p>a. continental shelf b. continental rise c. seamount d. aquatic plateau</p>	<p>2. The amount of heat energy in the Earth's atmosphere is referred to as...</p> <p>a. humidity b. temperature c. altitude d. air pressure</p>	<p>3. What percentage of the Earth is covered by water?</p> <p>_____</p> <p>_____</p> <p>Earth's Surface</p> 	<p>4. While trying to buy a head of lettuce at Wal-Mart, I got sprayed with a fine mist of water. As annoying as it was, I know that the vegetables stay crisp because the water fills the _____ in the veggies' cells.</p> <p>a. nucleus b. vacuoles c. chloroplasts d. cell walls</p>
<p>T U E S D A Y</p>	<p>1. List the three basic motions of ocean water.</p> <p>_____</p> <p>_____</p> <p>_____</p>	<p>2. How do whales and bats see using sound instead of light?</p> <p>a. osmosis b. photolocation c. photosynthesis d. echolocation</p>	<p>3. Name the feature of the ocean floor that is missing in the diagram below.</p> 	<p>4. What is wrong with this company's name?</p> <p>_____</p> <p>_____</p> <p>_____</p> 
<p>W E D N E S D A Y</p>	<p>1. Match.</p> <p>___ a. ocean trench ___ b. continental slope ___ c. abyssal plain ___ d. continental shelf</p> <p>1. submerged end of continent 2. deep, narrow valley 3. shallow, between shoreline and slope 4. flat, deep ocean floor</p>	<p>2. The gravitational pull of the moon causes the periodic rising and falling of ocean water that we call... _____ a tropical depression</p> <p>a. a tsunami b. a tsunami c. salinity d. tides</p>	<p>3. The ocean current that has a strong influence on the climate of the East Coast of North America is the...</p> <p>_____</p> 	<p>4. Analogies:</p> <p>a. kilograms : grams pounds : _____</p> <p>b. rotation : day and night revolution : _____</p> <p>c. people : carbon dioxide plants : _____</p> <p>d. deep : ocean trench shallow : _____</p>
<p>T H U R S D A Y</p>	<p>1. The ocean floor is covered with thick layers of _____, _____, and _____.</p>	<p>2. Yeast is the one-celled, living substance that allows Dad's doughnuts to rise. I bet he doesn't know that yeast is a member of the _____ Kingdom. Yuck!</p> 	<p>3. In 1960 Grandpa was a crew member of the Trieste, a U.S. submarine. It still holds the record for diving to the bottom of the deepest part of the South Pacific Ocean. The submarine must have dived...</p> <p>a. into a trench b. into a ditch c. onto the continental shelf d. onto the abyssal plain</p>	<p>4. My music teacher was demonstrating how to play the flute. By opening and closing valves, she was able to change the...</p> <p>a. pitch b. volume c. velocity d. elements</p>
